PATRIOT BIBLE UNIVERSITY

Programs For Businesses Christian-owned Business Employee Benefits : Continuing Education

Will your business benefit because your employees (of any age) have earned a Bible degree?
Find out...

Patriot Bible University offers correspondence Bible degrees. The educational program is very affordable, flexible, and designed for busy people. Your employees will be able to continue their employment and attend school without quitting their job.

Benefits to your business

1. Continuing education is always good for the business.
2. Employees with college degrees raise moral and stature.
3. Improved Biblical understanding empowers customer service.
4. Employee character and work habits improve.
5. Increased knowledge of Bible based products & services.
6. Serve the Lord by making disciples of your employees.
7. Biblically trained business leaders will help your business prosper.

Patriot's curriculum has been designed from the ground up especially for correspondence and self-directed studies. Students love the courses!

Patriot's textbooks are carefully selected from Biblically conservative, professional authors who have written on a focused subject. Course textbooks present and expound on the Bible's absolute truth - not man's modernistic reasoning.

PATRIOT BIBLE UNIVERSITY

Patriot's unique learning system is based upon student reading and comprehension. Students do not sit through taped lectures, write pages of notes, and take multiple 'guess' tests. Rather, each Patriot course includes a 200-300 page textbook accompanied by a colorful workbook.

The high quality workbooks ask the student questions directly from the reading assignment and the Bible. **Read - Write - Reinforce.**

Degree Majors: Bible, pastoral, evangelism, counseling, education

Certificate Programs: Vocational certifications, leadership training, diplomas

Authorization: State of Colorado Commission on Higher Education

Accreditation: Christian, non-governmental accreditation by Accrediting Commission International.

Affordable: Pay As You Go. Student loans are not necessary! And there is no need for employees to quit their job to attend.
